Park time, which allows you to clear your mind, exercise your body and contemplate the wonders of nature.

Time to meditate and be silent. In stillness and silence we get to know each other better and we meet the unconditional love of God, who is Our Father. We invite you to sit down, breathe, think only of your breath, you can repeat a word or a little mental prayer (Jesus, You are my peace).

*Thanks to your support,
We continue to build
