And Reinaldo got intense until he managed to build a remote control cart. With various pieces that he finds, he is in charge of doing these acts. God enlighten your mind and allow you to go very far in creativity. In the mind of every child there is a great potential scientist.

Lalo repairs a leak in the drain of one of the children's toilets. Someone has to do the dirty work. Thanks Lalo for your important work so that everything works in the hostel. Each child who helps you with the repairs learns to use tools, but learns from your joy and order. This is also human education.

From the streets to school. Welcome to these three little sisters who are now cared for and loved by the staff who serve them. In a short time they have shown the kindness that they concealed in their rebellious defensive armor. Love changes the hardest heart, heals its ailments, restores its fractures. Dare to love your peers.

We have proposed to build our sandbox. We can all do something for this playground. If as a society we realized that it is up to each of us to do something to improve our world. There is so much hatred, resentment, desire for revenge on our streets. Those hearts were born in some family. Between all of us, we can educate in forgiveness and compassion.

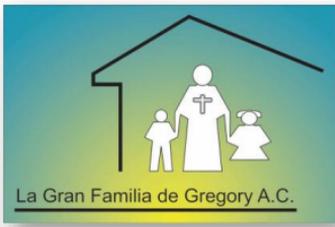

Thanks to the **FOUNDATION OF DR. SIMI, A. C.**, sent us pantry support and cleaning supplies, as well as medicines and vitamins for the girls and boys.

Celebrations of the Independence of Mexico. The little ones dress as in those times.

Adriana advances in her university studies during the morning. In the afternoon she works 6 hours in a local supermarket. His life is an example.

The girls and boys take a walk and dispersal trip. Time to enjoy the reality that Covid-19 has left us. Fear can lead us to paralyze, overcoming it is possible step by step.

High school students concentrate early via the internet to their school classes.

Exercise is an irreplaceable part of the schedules of activities at the hostel. It has so many benefits for the human body and mind, that we should use it more often. We would have less conflict and accumulated stress.

State DIF conducts inspection of the operation of the shelter. Various files, compliance with regulations and capacities for the care of girls and boys were requested.

*Thanks to your support,
We continue to build
A better history
For them.*
