

GOOD NEWS

SEPTEMBER 2022

This month was full of birthdays. We have celebrated the life that God gives us for his goodness. Thank you for being part of these joys with your support. There are special days when we can stop and discover that it is always possible to improve and build a better world.

The director of the Shelter was invited on the world day of "Suicide Prevention" to share a talk with the staff of the Javier Ramírez Topete Hospital. "Words that accompany" was the title of the shared theme. It is time to say yes to life.

Karely, in charge of taking care of children on weekends, takes a course on "Basic Mediation". Let us seek to build environments of peace in our world.

SEPTEMBER 2022

We celebrate the month of the Independence of Mexico. Time to love our country. Let's keep building a great nation. Let's see the example of other great countries and contribute to the good of humanity.

Thanks to the Fundación del Dr. Simi, A. C., for the bimonthly support with food and cleaning supplies. Congratulations on your 25 years of service and sharing with those who have less.

Roxy, a dog that arrived at the shelter a few years ago, died this September. He was the victim of an attack by two Belgian shepherd dogs who walk with their owners down the street without a leash. During the attack, Roxy suffered a tear in her intestines, Lalo and Luisa, along with some of the children from the shelter, took her to the veterinary doctor. She was hospitalized and underwent three surgeries. But, it was not possible to recover and five days later he died. **THANK YOU ROXY!**, for taking care of the girls and boys these years. For taking care of the neighbors' houses and the shelter.

SEPTEMBER 2022

It was also a month of accidents, infections and mosquito bites. Thanks to the doctors who help us in the care of girls and boys. "Thank you Father God, for health, for our body and well-being. We pray for the sick in hospitals, the elderly and people who have terminal illnesses, to come to your presence and enjoy your eternal love. Amen."

Students from the National Pedagogical University of the state of Chihuahua, carry out Professional Internships and Social Service at the shelter. They support the team of teachers in attendance at school monitoring, preparation of school materials, cleanliness and order of academic areas. Thank you teacher Ivette and teacher Blanca.

They participate in a municipal tournament and win medals. They are good players and good students. We have to teach to live human values so that this world is better.

*Thanks to your support,
We continue to build
A better history
For them.*
